Kyneton's best up for auction at Kyneton Community Park's Mid-Winter's Feast

Kyneton Community Park will host a gala dinner and auction at its Mid-Winter's Feast at the Kyneton Town Hall on Saturday 20th July. The event will showcase Kyneton's finest artisans and foodies.

The Mid-Winter's Feast will see Kyneton's Town Hall transformed into an evocative woodland setting where guests will be treated to a sumptuous three course dinner by award winning charcuterie Piper St Food Co. The food will be matched by wine specially selected by Banks Fine Wine.

Guests will be welcomed with warm cider and feast on woodland delights of seasonal and local produce. Food will be styled to represent all sorts of goodies naturally found in the Kyneton Botanic Gardens. A soundscape will help celebrate the theme – everything we love about a park in mid-winter, and everything we love about being indoors in winter.

The Mid-Winter's Feast is a major fundraiser for Kyneton Community Park, and will leave a legacy for the park and the town. Kyneton Community Park has been designed by renowned landscape architect Andrew Laidlaw, and will be built in the lower arboretum of the Kyneton Botanic Gardens. The park is destined to become a world class and regional icon.

An original artwork by Sarah Gabriel of Lauriston Press, a wood working course by celebrated traditional chair maker Glen Rundell, and a garden consultation with Annie Smither's own garden designer Simon Rickard are among the exclusive prizes on offer at the gala fundraising event.

Feast coordinator", Jessica Goodman said, "We have brought together a collection of the best our region has to offer as auction prizes for the night, including one-off exclusive experiences with the makers themselves.

One lucky guest on the night will be leaving with accommodation in Vanuatu's luxury boutique hotel Moyyan House by the Sea.
